IT'S A FUN FILLED WEEK @ KRK!!

Homework Club is broken into small groups by ages and done daily. Accommodations are made for some children as needed.

All children participate in outside activities and enjoy a healthy snack upon arrival.

What is Brainy Day Mondays?

Our Brainy Monday Activities are fun activities that will help 2nd—5th graders in their test taking skills.

Our Tuesday Cooking Club Activities will focus on the theme of the month—February's theme is "Healthy Heart Month". Each child will have an opportunity to make a healthy snack!

Our Wednesday Field trips will be full of fun and the children have been coming up with great ideas. Notices will be posted and sign up sheets will be available—our field trips will range between \$8-\$12. For those children who do not attend the field trip, they will be participating in different activities at the school including board games, art, computers, etc.

Thursdays KRK Rocks! We are borrowing Daniel from our Avalon Park location and he will be coming over and giving all the children music lessons!

Fridays back by popular demand, EuroSoccer will be coming and taking the children by age groups—that means all the children will be able to participate in all the fun!
